

## Leadership Themes

### Strategic

Energized by possibilities and forging the best path forward, they generate or fine-tune new ideas and creative solutions.

### Influencing

They help spread the word and gain buy-in, motivating people to adopt the strategy and make it happen.

### Executing

Given the concrete info needed to get the job done, they drive a project forward and ensure it crosses the finish line.

### Relationships

They read the room, keep the team bonded, and ensure that everyone feels valued and supported.

## Personality

Invitation to create great relationships.

**BURNING QUESTION**  
Am I secure and supported?

**HACK**  
Be confident; break the mold

**STANDARD OPERATING PROCEDURE**  
Always do what's expected

**FEAR**  
Abandonment; neglect

Confident  
Grounded  
Faithful, trustworthy  
Self-sacrificing  
Work for greater good

Vigilant  
Suspicious  
Reactive  
Defensive  
Rigid  
Evasive

Volatile  
Abusive of others  
Fanatical  
Violent  
Self-destructive

## Burning Question

The question we subconsciously ask ourselves, always seeking a "Yes."

## Standard Operating Procedure

Our default tactic to ensure we keep hearing a "Yes" to our Burning Question.

## Fear

How we interpret a "No" to our Burning Question, triggering a negative reaction.

## Hack

The empowered choice that frees us from our trap and provides a "Yes" from within.

## Perspective

Invitation to choose your healthiest expression and shine your brightest.
