

## Leadership Themes

### Strategic

Energized by possibilities and forging the best path forward, they generate or fine-tune new ideas and creative solutions.

### Influencing

They help spread the word and gain buy-in, motivating people to adopt the strategy and make it happen.

### Executing

Given the concrete info needed to get the job done, they drive a project forward and ensure it crosses the finish line.

### Relationships

They read the room, keep the team bonded, and ensure that everyone feels valued and supported.

## Personality

Invitation to create great relationships.

BURNING QUESTION

Am I worthy and accepted?

HACK  
Be authentic, follow your heart

STANDARD OPERATING PROCEDURE  
Always succeed, get praise

FEAR  
Inherently worthless

Authentic  
Self-assured, poised  
Charming, gracious  
Effective, impactful  
Exemplary

Image-conscious  
Superficial  
Self-promoting  
Competitive  
Arrogant

Exploitative  
Devious  
Sabotaging  
Vindictive  
Narcissistic

## Burning Question

The question we subconsciously ask ourselves, always seeking a "Yes."

## Standard Operating Procedure

Our default tactic to ensure we keep hearing a "Yes" to our Burning Question.

## Fear

How we interpret a "No" to our Burning Question, triggering a negative reaction.

## Hack

The empowered choice that frees us from our trap and provides a "Yes" from within.

## Perspective

Invitation to choose your healthiest expression and shine your brightest.

## Strengths

Invitation to contribute powerfully, effectively, and with confidence.
