

Leadership Themes

Strategic

Energized by possibilities and forging the best path forward, they generate or fine-tune new ideas and creative solutions.

Influencing

They help spread the word and gain buy-in, motivating people to adopt the strategy and make it happen.

Executing

Given the concrete info needed to get the job done, they drive a project forward and ensure it crosses the finish line.

Relationships

They read the room, keep the team bonded, and ensure that everyone feels valued and supported.

Personality

Invitation to create great relationships.

BURNING QUESTION

Am I unique and significant?

STANDARD OPERATING PROCEDURE

Always be true to your core self

FEAR
No identity, insignificant

HACK
Be ordinary, join the club

Divine creativity
Self-disciplined
Wise, insightful
Sincere, accepting
Funny

Self-conscious
Aloof
Melancholy
Search for savior
Play hard-to-get

Depressed
Apathetic
Fatigued
Self-destructive

Burning Question

The question we subconsciously ask ourselves, always seeking a "Yes."

Standard Operating Procedure

Our default tactic to ensure we keep hearing a "Yes" to our Burning Question.

Fear

How we interpret a "No" to our Burning Question, triggering a negative reaction.

Hack

The empowered choice that frees us from our trap and provides a "Yes" from within.

Perspective

Invitation to choose your healthiest expression and shine your brightest.
