

Leadership Themes

Strategic

Energized by possibilities and forging the best path forward, they generate or fine-tune new ideas and creative solutions.

Influencing

They help spread the word and gain buy-in, motivating people to adopt the strategy and make it happen.

Executing

Given the concrete info needed to get the job done, they drive a project forward and ensure it crosses the finish line.

Relationships

They read the room, keep the team bonded, and ensure that everyone feels valued and supported.

Personality

Invitation to create great relationships.

focus

Embraces success
Present, in flow
Accepting
Serene

Wallflower
Disengaged
Indifferent
Self-repressing
Passive-aggressive

Depressed
Apathetic
Lazy
In denial
Disassociated

Burning Question

The question we subconsciously ask ourselves, always seeking a "Yes."

Standard Operating Procedure

Our default tactic to ensure we keep hearing a "Yes" to our Burning Question.

Fear

How we interpret a "No" to our Burning Question, triggering a negative reaction.

Hack

The empowered choice that frees us from our trap and provides a "Yes" from within.

Perspective

Invitation to choose your healthiest expression and shine your brightest.

Strengths

Invitation to contribute powerfully, effectively, and with confidence.
